## The free MaxiTicket

May 31, 2024

My reference: 40-401  
Your reference:

Dear Name,

All students and trainees residing in Hamm will soon be able to travel within the city free of charge – according to the ambitious promise that has already been implemented for the 2023/24 school year.

I am delighted that free trips by bus and train in the entire city area will continue to be available.

As announced, the MaxiTicket is available digitally for the 2024/2025 school year. To obtain it, you need to register for the municipal utilities companies (Stadtwerken) online. To make things even easier, most registration data can be transferred directly to the registration form using the QR code below.

This ticket is valid for the 2024/2025 school year and is available as a PDF file. It can be used either printed out or saved on a mobile phone.

It is an important building block towards the environmentally friendly mobility of tomorrow.

You can find all the information on the MaxiTicket and the Deutschlandticket for students on the City of Hamm's homepage at [www.hamm.de/schulweg/schulwegtickets](http://www.hamm.de/schulweg/schulwegtickets).

Sincerely

Marc Herter  
Mayor

## **Privacy information:**

The City of Hamm takes the protection of your data very seriously and ensures that the data is used in accordance with data protection laws.

An external service provider has created and sent the student tickets that you have received with this letter. To that end, the service provider was provided the corresponding data from the civil register. The service provider is contractually bound to use the granted data according to the General Data Protection Regulation in accordance with data protection law (contract data processing). The data is immediately deleted from the service provider's system after use. Storage, continued, or improper use of this data is contractually prohibited.
